Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

**Prompt option 1:** *How is the internship meeting or not meeting your expectations/objectives and why? Do you have control of this? Explain.*

The internship has met my expectations because I wanted to know what people do here at Red Hat. I also wanted to know what they do for work, what it's like working here, and their ups and downs when working at Red Hat.

**Prompt option 2:** *Who have you met during your internship that has made an impact on you, and why?*

**Prompt option 3:** *Describe a challenge you encountered during your internship and how you approached overcoming it. What did you learn from this experience?*
