*Prompt option 1: **What is a topic that you found interesting this week? How do you plan to seek additional information and learn more about that topic?***
This week, I found the topic about speaking and presenting, as well as the presentation on the future of AI, very fascinating, since speaking and presenting is something Im truong to get better at, and AI is something I'm really passionate about. I plan to reach out via email and thank them for the presentation, and ask for more tips about their respective presentation topics.
